

SingleSource IT LLC Becomes Member of MSPAlliance®

SingleSource IT LLC joins vibrant global consortium of cloud, managed service providers and technology enabling vendors

Jeffersonville, IN -- SingleSource IT LLC today announced that it has become a member of the MSPAlliance.

MSPAlliance is the oldest Managed Services group and the only Accrediting and Standards based body created specifically for the Managed Services Industry. With over 25,000 corporate members world-wide, the MSPAlliance is a very powerful and influential global network of IT professionals. MSPAlliance works in a collaborative effort with service providers, technology enabling vendors, governmental bodies as well as other industry associations, to further the acceptance of the managed services and cloud industry to the business consumer.

MSPAlliance Member companies' are able to achieve MSP and Cloud Certifications including, SSAE16 Audits and ultimately achieve certification through the MSPAlliance MSP/Cloud Verify System™

"We are delighted to have SingleSource IT LLC as a member of our global association," said Celia Weaver, MSPAlliance president. "By upholding the MSPAlliance Managed Service Provider's Code of Ethics, SingleSource IT LLC will work with MSPAlliance, as well as their industry peers, to help ensure the integrity of the managed services and cloud profession."
